Where are the Quiet Areas?

Quiet study spaces are available in the periodicals area and quiet study room on the second floor, reference area of the first floor, all of B1 and the "science periodicals" area of B2. Please respect silence in these areas.

What is a QR Code?

A QR code is the funny looking black and white square that you see in the bottom-right corner of this page. If you have a smartphone, you can download a QR reader app (such as ScanLife), scan the square using your phone's camera, and it will take you to a very useful webpage!
