**Restroom Etiquette**

The restrooms at Boatwright Memorial Library are really busy and so are you, but please remember to respect spaces. This means placing trash in the proper container, picking up paper towels from the floor and sink space, being gentle on the fixtures, and reporting any issues you see at will.

**Stop: Don't Unplug That!**

Is it plugged in? Please leave it. Likely, it is connected to a PC, printer, router, etc. Unplugging it could have serious consequences for others using the device.

**Sitting Bored?**

Like Boatwright Memorial Library on Facebook and keep up with events, hour, helpful, tips, and more!

**Silent Study Zones**

The bathroom isn’t the only place to catch a moment of peace, visit the second floor silent study zone. If you need to collaborate, visit the first floor collaborative zone.
