Just the Finals Facts

- ◆ Pick up your trash—no one likes to study in a pigsty! 
- ◆ Respect the zones. Silent areas should be silent. Don't be afraid to ask others to quiet down.
- ◆ Take your belongings with you when you leave. It's not fair to others to "camp out" at a table or computer, and we do re-shelve books that are left unattended.
- ◆ Remember to take a break. Eat! Sleep! Bathe!
- ◆ Don't forget to turn in library materials before you leave campus.
- ◆ Have a great summer!
