

Study Room Reservations

Need to study for midterms? Individual and group study rooms are available on all floors of the library. While the study rooms are always open for walk-ins, you can also make a reservation on the library's website under "Quick Links." Remember that no study room is fully sound proof so be respectful of others!

Laptop Printing

Want to print to the library from anywhere on campus? Set up your laptop for wireless printing at is.richmond.edu or at the Help Desk in Jepson. Remember, you still need to release your print requests from the print release stations in the library!

Your Library Account

You can access your library account from the library's website by selecting the "My Account" link in the red search box. From your account, you can view your checked out materials, see due dates, and renew items.

Ask a Librarian

Have a quick question or comment about the library? Make use of our Ask a Librarian live online chat! Just click the "Ask a Librarian" link on the library's website and send in your question.
