Carol Wittig, 289-8459
cwittig@richmond.edu
Philosophy, Religious Studies, Journalism

EXPLORE

BOATWRIGHT MEMORIAL LIBRARY

Services for Faculty
Family Borrowing Privileges
Members of faculty families may borrow materials with their own UR ID cards. Spouses and dependent children (ages 12–23) may have an individual ID made in the OneCard Office in the Heilman Dining Center. Materials are loaned for a 28-day period.

Print, Media, and Electronic Reserves
Faculty are encouraged to submit course reserve requests at least three weeks before the beginning of each term so that students will have access once classes are in session. Library staff will retrieve and scan all library-owned items. Course reserve forms and procedures are available on the library’s website.

Film and Image Resources
Faculty have access to an extensive collection of image and film resources. The library has both circulating and streaming film options that include global films, documentaries, popular movies, and TV shows from digital platforms including Kanopy and Swank. Image resources are available through online collections, such as Artstor (including local collections) and Bridgeman Education. E-books and E-audiobooks are also available for download. Liaison librarians with expertise in Film and Visual Media are available to assist faculty with ways to incorporate film and image resources into their classes.

Document Delivery
Library staff will retrieve, check out to your account, and send books owned by the library to your departmental office. Staff will also scan journal articles and email them to you as a PDF.

Faculty Borrowing Policy
A faculty ID is required each time materials are borrowed. Most materials may be checked out for 120 days with unlimited renewals. Overdue notices will be sent to faculty via email after the 120-day loan period and then faculty may renew materials online through the library catalog or return them to the library. Please note that materials must be renewed in a timely manner or the computer system will revert items to “lost status” and they will appear unavailable to other users.

Faculty Proxy Service
Faculty proxy forms are available to allow student assistants the opportunity to check out materials for faculty using their own student ID. Faculty are fully responsible for issuing proxy authorization forms and for materials checked out through their students.
